Ha there was no plan attached earlier. This is the old plan I was talking about. Sylvia is working on the transportation portion.

This is the plan Matt shared with us back in August, however, this plan is the old one. The only thing he was going to add was the bus transportation procedure since some students leave before 6pm.

Sylvia, can you check to see if that's something that indeed has to be added and provide us with the process for transportation if needed.
